

August 19, 2009

Present: John Henley, Lu Ella Sprout, Jason Savage, Kim Sides, Kelly Latimer, Joy Bennett, Candy Plunkett, Jennifer Francis, Jimmy Davis, Travis Shackelford, Reggie Florez, and Patrick Hines.

Board Meeting: The next board meeting will be on September 16 at 6:30 at the Olive Branch High School.

All Background checks have been completed. Please destroy any documentation that has date of birth on the document.

Incident reports need to be turned in within 24 hours of the incident. Please send these to John Henley and Kim Sides. You can e-mail this to jwh61@att.net and kjordan@goldstrike.com.

On August 22, the football teams will meet to make sure that all uniforms fit, a weigh in will take place as well as collection of money for t-shirts and decals. All head coaches should attend this meeting to make sure that the players who are 10 lbs. over their weight or 10 lbs under their weight are weighed on Saturday. This will take place from 10am to 12:00pm.

It has been brought to the board about a competitive team within the organization be formed. The league will not approve this due to the fact our insurance will not cover a competitive team.

There are discussions that next year we may consider an all star team within in our organization based on teams who win the super bowl. We have not made a final decision on this. We are just in the preliminary discussions if this might be something that we add in the future.

Kelly Latimer stated that cheer camp went great this year. We only had one incident that involved a parent and we are waiting on an incident report. The First Baptist Church notified us that we will not be able to rent the church for next year's camp. We will be looking for a new location for next year. Uniforms are expected to come in and Joy and Kelly will get these delivered to all teams. Kelly informed us that we have a squad that is performing an inappropriate cheer in which she will contact them to let them know that all cheers must be professional.

If the league receives a return check, we will contact the individual in which this has occurred and at that point they must pay us in Cash for the item that they purchased. If we do not receive this within the time allotted, the individual will not be in the league.

All checks to the league need to be made out to OBYFLC. Please do not take a personal check from anyone in which they write it to a board member.

The league has insurance with American Youth Football.

John Henley has asked several board members to get schedules of the seven year old age group from Lewisburg, Hernando and De Soto Central to see if we have any conflicts with our schedule.
